tastefully decorated and finished with high quality. With a total area of 157 m², the house offers three comfortable bedrooms, a spacious living room with a granite fireplace and a dining room interconnected with the kitchen, which can be opened or closed as needed. The south and west orientation ensures excellent natural light throughout the day.

The ground floor also includes a laundry room, a small office with plenty of sunlight and a guest bathroom. Outside, the patio is a true refuge, with a dining area covered by a porch and a living space ideal for relaxing with the family. The leisure area includes a large swimming pool, a lounge area with a bar, and a fully equipped gym for those who value an active lifestyle.

Development and Expansion Potential

Located in the heart of the urban perimeter, this property benefits from a high construction index (1.2 gross area and 0.8 implantation area), allowing the expansion of the existing building or the construction of new houses and infrastructures. This versatility is ideal for those looking for an investment with a high return, whether for own housing, tourist accommodation or real estate development.

Investment Opportunity and Quality of Life

With a strategic location and characteristics that allow a diversified use, this property is a unique opportunity for those looking for an exclusive space with high potential for appreciation. Perfect for permanent residence, holiday home or tourist investment, it is a property that brings together the best of urban and country style, providing comfort, privacy and a premium lifestyle in the heart of the Algarve.
